

December 10, 2010

Dear Friend:

I trust that this brief letter finds you blessed. I am writing to wish you a merry Christmas and to also inform you of a generous donation with an end of year challenge.

We recently received a phone call from a generous donor with an end of year challenge. The donor is willing to match end of year donations dollar for dollar up to \$3,500 towards the construction of a water well in Iganga. If we raise \$3,500 in donations before December 31<sup>st</sup>, we will have enough money to provide two new clean water wells serving approximately 1,500 needy men, women and children.

We believe that everyone deserves something as simple and critical for life as clean, safe water. The impact clean water access can have goes beyond the obvious health benefits. Clean water changes lives. Cash, checks, stocks, and credit card payments are the forms of payment that will be matched. Donations can be made by clicking on the "Donate" button online at: [www.worldharvestmission.org](http://www.worldharvestmission.org) or you can also send a check payable to the following address:
